Paul, as discussed I have not received any response from Bluffdale City on what they are requesting as far as getting in compliance with city laws, etc. in respect to my mining permit, so I'm requesting at least a 30 day extension of the appeal to resolve this matter and I will be out of town from 10/27-06 to 11/4/06. Please respond by e-mail. My cell phone will not work while I'm gone out of town! Thank you, Craig Worthington
